STUDENT

Spotlight

This month, we'd like to give a special shout-out to one of our amazing traders, Diane.

Diane joined the Simple FX community in January 2026, determined to learn the skills needed to become a consistently successful trader. Like many of our students, she balanced her trading journey alongside a full-time job, showing incredible commitment, discipline, and dedication every step of the way.

Thanks to her hard work and perseverance, Diane has now taken the exciting step of leaving full-time employment to pursue trading as her full-time career.

This is a fantastic milestone and a testament to what can be achieved with the right education, mindset, and determination. Diane continues to go from strength to strength, and we're incredibly proud of everything she has accomplished.

From everyone at Simple FX, we'd like to wish Diane every success as she embarks on this exciting new chapter. We have no doubt she'll continue to achieve great things, and we look forward to following her trading journey.

RICHARD'S MONTHLY RECAP

Looking ahead to the month in trading

Happy August, everyone!

What a fantastic summer we're having! There's something special about getting up early to a beautiful sunrise and enjoying the warm mornings. It's a great reminder of the freedom that comes from creating a lifestyle you truly enjoy.

One of the things I love most about trading is that it isn't tied to one location.

Having lived and traded abroad myself, I know those warm early mornings don't have to be limited to a British summer. Trading gives you the opportunity to work from wherever you choose, allowing you to earn while enjoying the lifestyle you've worked hard to create.

The world is changing rapidly. With AI becoming more prominent and businesses continually reviewing the way they operate, many people are beginning to look for alternative ways to generate an income and secure their future. That's why I'm so pleased to see so many of you taking action. You're investing in yourselves, developing valuable skills, and building opportunities that could make a real difference in the years ahead.

I also want to say how proud I am of every member of our Simple FX community. Whether you're just starting your trading journey or you're becoming consistently profitable, your commitment and determination are inspiring to see.

Finally, I'm delighted to announce that Simple FX has once again been recognised for excellence, winning the award for Best Forex Mentorship Programme UK 2026.

This latest achievement takes our total to six industry awards—a milestone we're incredibly proud of. These awards are a reflection of the dedication of our entire team and, most importantly, the amazing students who continue to trust us with their trading education.

Thank you all for being part of the Simple FX family. Keep learning, keep improving, and remember—consistency is what creates long-term success.

DOUBLE AWARD SUCCESS FOR SIMPLE FX!

We are absolutely thrilled to share some fantastic news with our Simple FX community!

- We're proud to announce that Simple FX has been recognised with two prestigious industry awards for 2026:

Best Trading Education Company UK 2026
Best Forex Mentorship Programme UK 2026

Receiving these awards is a tremendous honour and reflects our unwavering commitment to providing high-quality trading education, exceptional mentorship, and ongoing support to every member of our community.

These achievements wouldn't have been possible without our incredible students, whose dedication and enthusiasm inspire us every day. We'd also like to extend a huge thank you to our mentors and team, whose passion and expertise continue to make a real difference in helping traders achieve their goals.

As we celebrate these milestones, we remain committed to raising the bar even higher, continuing to innovate, educate, and support traders at every stage of their journey.

THE RETURN OF THE SFX SUPERCHARGER SESSIONS!

Our SFX Super Charger Sessions have been a huge success! Students come together to sharpen their skills, build their confidence, and take their knowledge to the next level.

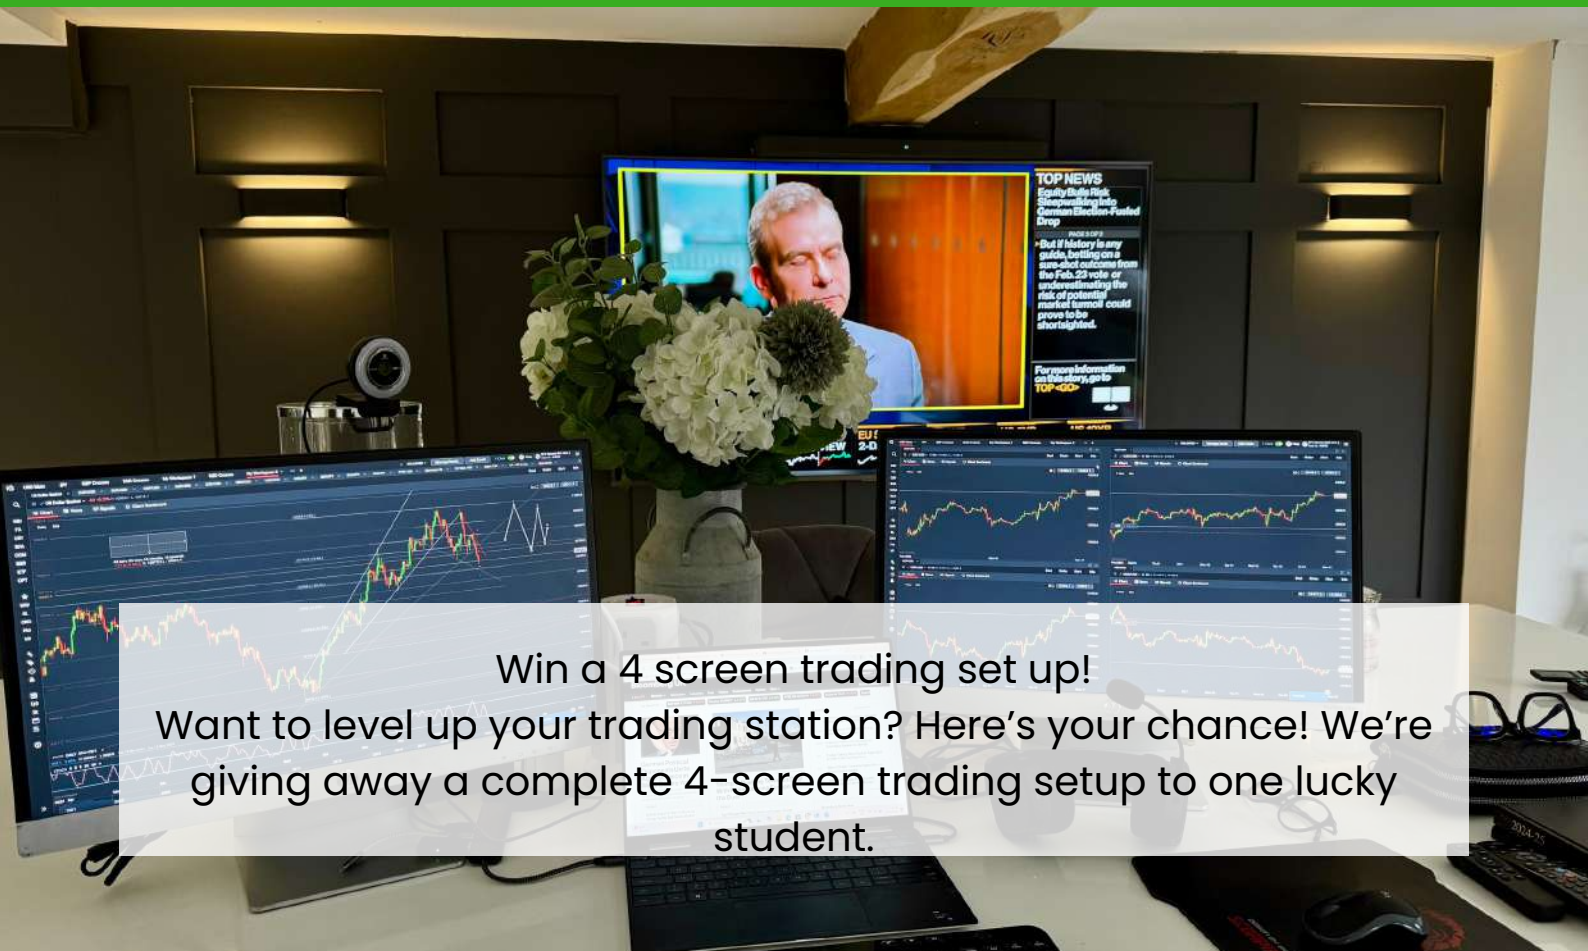

Throughout the sessions, students explored new techniques, gained valuable industry insights, and had the opportunity to work through any challenges they had been facing. It was fantastic to see everyone asking questions, supporting one another, and leaving with a clearer understanding and renewed confidence in their abilities.

A big thank you to everyone who attended and contributed to making these sessions such a positive experience. We love seeing our students grow and develop, and we can't wait to see you all at our next SFX Super Charger Session!
